leadership about land needed
Which leaders have told you the following?
expropriating land without compensation is against all
International Conventions Namibia are signatory to
expropriated land title deed can only be recognized in
Namibia & UN Fundamental Human Rights
produce from expropriated land that is sold is illegal
illegal and because I as the previous owner I am the
recognized owner I can file a court case to stop
get such produce or such land confiscated

to know and not to do is not to know
Tange Unene
to know and not to do is not to know
